Seeking a future in civil engineering, transportation, or transit related field?

The Southeastern Regional Planning & Economic Development District (SRPEDD) is looking for transportation interns to perform a variety of transportation related tasks.

**THE FACTS:**

**Duties:**
- Installation/retrieval of traffic counting equipment
- Manual turning movement traffic counting
- Survey pavement conditions
- Passenger count surveys on local transit buses
- Working outdoors
- Lift/carry data collection equipment

**Qualifications:**
- Enrolled in college or university with a major in Civil Engineering, Transportation Engineering, Urban Planning, or Geography
- Knowledge of transportation engineering, GIS, and/or traffic analysis a plus, but not required
- Must have valid driver’s license and reliable transportation

**Details:**
- Internship period is May through August
- Monday through Thursday
- 30 to 38 hours a week
- 9:00 AM to 5:00 AM (hours/days may vary based on data collection needs)
- $14.00/hour based on education experience in the transportation field

Full announcement can be found on SRPEDD’s website at www.srpedd.org. Please submit a cover letter, resume, and three references to info@srpedd.org
