Want to know how to better prepare your community's shelter? Come join us for one of three trainings in September covering information on access and functional needs, mobilizing and demobilizing, registration, pets, food service, lessons learned and hands on experience for setting up shelters.

If you are an Emergency Management Leader, Police or Fire Professional, CERT, Medical Reserve Corp Member, Religious Leader, Public Health Official or Community Leader this training is for you! Please click on the link below for more information and to register. Share this invitation with your sheltering partners. Lunch will be served.

Register for one of three trainings using Homeland Security Advisory Council purchased equipment. Who should attend: Emergency Management Leaders, Police, Fire, CERT, Medical Reserve Corp Members, Religious Leaders, Public Health Officials, Hospitals, and Community Leaders. Please share this invite with your Sheltering Partners!

Please see below to register.
