

**Public Comment Period
and Meeting Announcement on
Transportation Improvement Program (TIP)**

SRPEDD Offices

88 Broadway, Taunton, MA

June 16, 2011 @ 4 pm

The Southeastern Massachusetts Metropolitan Planning Organization (SMMPO) has approved amendments to the FY2011 year of the TIP pending public notification and a 30-day public comment period which starts from the date of this advertisement.

If no significant objections are made to this amendment, it will become final. These documents, as well as the amendments, can be found on our website @ www.srpedd.org.

Transportation projects in the following municipalities are part of the changes: New Bedford, Fairhaven, and Middleboro. Public transit changes are also proposed. This notice, public meeting and comment period satisfies the public participation requirements from the Federal Transit Administration. The public meeting will be held to present these proposed changes and receive comments. Comments on these documents or amendments can also be made by phone (508) 824-1367 or by e-mail to lcabral@srpedd.org.
